W. W. Scott, Esq., B.C., LL.D.,
Government Buildings,
Fredericton, N.B.

My dear Sir:

I have just received your letter of application for the post vacated by the death of the late Professor A.H.F. Lefroy. I am not yet in a position to state the conditions of the Chair, as we have not finally rote our Arrangements, but I think that in all probability there will be a full Professorship in Roman Law and Jurisprudence, possibly one in Federal Law also. There is not much doubt, however, that we shall try to fill the Professorship in Roman Law and Jurisprudence. The salary I am not able to state.

Yours Sincerely,

President.

Dear Mr. Scott:

I have your letter to-day, and will give full consideration to what you tell me in it with regard to your past work, and the method in which you would develope the work should you be given the appointment in Toronto. At present I am not able to make any statement as we are making inquiries still in England, and I think it is rather doubtful whether any appointment will be made within the next few weeks.

Yours sincerely,

President.

Thanks acknowledge in my absence

Dear Sir Robert Falconer.

In working out my revision of the Statutes of Alberta, I find that I have progressed so far and in such fashion that a successor would find it difficult, if not impossible, either to utilise my work or to complete the work upon his own plan. To remain a candidate for the professorship at Toronto would be, I think, a breach of faith towards this Government and would be, at any rate, disingenuous towards everyone concerned. Accordingly with very real regret at giving up even the chance of going to Toronto, I would ask you to allow me to withdraw my name.

I am Yours Sincerely
Walter S. Scott.
